

Chebeague United Methodist Church Food Pantry

November 2020

The **Chebeague Island United Methodist Church Food Pantry** is moving inside. The temperature is dropping and we are fortunate to have a great, spacious area in the Parrish House. We ask that people enter through the side door on the right side of the building. Please wait at the door until there is enough room to enter and use hand sanitizer before taking food.

If you would prefer to wait in your car we will be walking through the parking lot to make sure everyone gets needed items. Please also feel free to contact one of us via phone or text.

If you need to call you can call or text

The Food Pantry will continue to be open to **Everyone** in November from 11:30 - 1:00 on **Sundays**. If you would like to contact us with items you may need we have a new email:

We continue to have fresh fruits and vegetables from local gardens and Native Maine, meats/poultry as well as canned/ jarred and dried foods. We also have supplies like sponges, paper towels, trash bags, as well as personal hygiene products.

A special Thank you to **Wanda Buczynski**, **George Bates** and **Hobie and Dave Hinchman** for all of the weekly fresh veggie and fish donations as well as the other donations we receive as folks stop by with extra groceries and clean out their pantries.

We can arrange for pick up or deliver other times when needed. Please bring a bag, stay 6 feet apart and wear a mask. If you prefer to stay in your car we will be happy to help you if you want to give us a list or tell us what you need.
