

The I'm Your Neighbor **Welcoming Library** is a portable book collection and display of acclaimed picture books featuring the immigrant, refugee, or “new arrival” experience. This pilot traveling **library** will be made available to **Maine** school and public **libraries** for monthly loan starting in September 2017.

We at Chebeague Island School have been fortunate enough to benefit from the Welcoming Library of Maine. This will help support the curriculum of immigration, diversity, as well as Martin Luther King Junior’s Day. We will have this library housed in the multipurpose room at Chebeague Island School until January 30th. The books will be explored by all classes and the teachers may take them out within the school to support their teaching. Students will be offered an in-library selection to explore the many books during this time as well. I welcome you to come into the school to explore the selection with your children after school. The books are not for circulation due to the short window we have them available to the students. Please take an opportunity to check them out, preferably after school hours. The books will remain at the school until we will be passing them on to our “neighbor” Long Island School on Jan.31, 2020.
