Feel like singing?
We do too.

Come to a Chebeague Coffee House on Zoom: HERE COMES THE SUN
If you have a piece you’d like to perform or if you are just curious to listen and be entertained, join us. ZOOM gives us a safe way to share music with a safe and island-friendly audience. Try out Karaoke, a cappella, instrumental, produced pieces or just to sing along safely from home - musicians and singers of all levels are welcome. We can help you set your computer before hand if you have questions about ZOOM or how it will all work. Contact Erika at 207-749-8022 or erikagneumann@gmail.com.
