Loretta Hamilton
Theresa P. Kaufman
Sandra McLean
Erika Neumann
Peter Olney
Stephen Todd
Vicki Todd
Nick Wessell

It is with some sadness that I must tender my resignation as the Executive Director of Chebeague Island Recreation Center. As many of you know, I am a trained mediator and Guardian *ad Litem* as well as the Director of the Rec Center. Recently, a friend asked me to help her in her Guardian *ad Litem* practice, as she is losing two associates and has just been elected to the state legislature.

I appreciate the warmth and friendliness of the community which has taken me in as one of their own. I will miss my many new friends, especially your children and teens with whom you've entrusted me. My consolation is that, as a Guardian, I will be working with children who desperately need my support at a time of crisis and transition in their lives.

Within the next few months, I will be working closely with the CRC Board to help make this transition as seamless and painless as possible. I know that your new Director will find as much caring understanding and acceptance as I have. Best wishes to all of you in the coming year.

Sincerely,

Tracy Quadro

MISSION STATEMENT

The purpose of the Chebeague Recreation Center is to provide children, teenagers, adults and seniors with a facility in which they can participate year round in activities specifically designed to fulfill their recreational, educational and social needs and to enhance their skills and enjoyment. The activities will be conducted in a positive alcohol and drug free environment. The diversity of the programs will benefit the entire community.
