

Looking for Catering Services

CTC is looking for businesses on the island that are interested in partnering with us on cruises and charters this summer. Our plans are to offer snack/appetizers, lunches, and dinner cruises on the Pied Piper.

While we are making improvements on the Pied Piper, it is limited in its facilities for serving food, especially hot items, so any dinner would most likely be a boiled lobster or entrée that required limited warming. All items would need to be prepared ahead of time and brought on board.

If you are interested, call the office and leave your information. We will contact you to discuss the service in more detail.

Thank you!
