Grade 6 Students from Harrison Middle School (HMS): Henry Hall attended the meeting to give an update to the School Committee on his first few months attending HMS in Yarmouth. Some highlighted comments were as follows:

- It was tough getting used to a larger school at first, a lot of transitions, it could be confusing in the beginning
- Now it is all routine, much easier, he likes the school
- Math lattice is not used by his math teacher, Henry recommends transitioning grade 5 students at CIS from using lattice in math computations during the spring in their 5th grade year
- CIS prepared him well for his studies at HMS
- Lunch time seems to be short
- Each student has google docs, and Henry was well prepared technology-wise
- Suggestion: Have the two shadow days in the spring be with both a 5th grader and a 6th grader

Raven Tucker's mom was in attendance at the meeting, and she commented that Raven was overwhelmed at first going to HMS, and the transition from CIS to HMS was harder for him. But mom also noted Raven has received good reports from his teachers and things are progressing well now.

AP Warrant #8: AP Warrant #8 was reviewed by the School Committee and approval was authorized for the warrant.

Adjournment

Suzanne Rugh motioned and Jennifer Belesca seconded to adjourn the School Committee meeting at 6:29 pm and enter into a workshop session with the CPA and Island Institute. The motion was approved 5-0.
