AUGUST MYSTERY PHOTO ANSWER

Binkie Boxer correctly identified the August Mystery Photo as a house that once sat on the westerly end of Deer Point. Houses on Cottage Road can be seen in the background on the left.

Mary Peabody and Bertha Saltmarsh bought the lot from Joshua Jenks in 1884. They had a shingle style cottage built that may have been designed by Antoine Dorticos. Everett Peabody acquired the property in the early 1900s and sold it to the Boy Scouts in 1934. The house burned in a Deer Point fire in the 1940s. The Boy Scouts sold the property in 1979, and it was sold to a Freeport couple in July 2023. *Submitted by Donna Damon*

Many thanks to those who attended our **150th Anniversary Celebration** on August 13! The event was a great success. Activities, food, and entertainment were enjoyed by all! A very special THANK YOU to our generous sponsors.

SEPTEMBER MYSTERY PHOTO

Where was this building located? What was its function? Where is it now? Who was F. D. Bennett? Who are some of his descendants who live on Chebeague today?
