**How Do I Transport
These Materials Safely??**

- Never Mix Chemicals Together
- Bring Materials in Original Containers, be sure they are secured
- Pack contents in sturdy upright boxes and pad with newspaper if necessary to prevent spillage
- Leaking Containers must be contained prior to transporting
- Leave Pets at Home
- Never Smoke, eat or drink while handling or transporting hazardous materials

**What is Household
Hazardous Waste (HHW)??**

HHW is any product that is classified as Toxic (Poisonous), corrosive, flammable, or Reactive (Explosive). Many products are found in most homes, garages, or workshops:

Reading the labels can identify many of these products. Look for Words Such as :
***POISON, CORROSIVE, TOXIC,
VOLATILE, OR FLAMMABLE,***

**Only Materials from Chebeague Island
will be accepted. Please be prepared to
show proof of residency.**

**Please call Cumberland Public Works at
829-2220 if you have any questions.**
