### **“SO, YOU’VE ALWAYS WANTED TO PLAY A MUSICAL INSTRUMENT”**

You are shipwrecked and on a desolate island. Nobody but you, your friends and a few coconuts. Plenty of other local food and fresh water, but there is a vacuum as far as entertainment. Your primitive instincts arise. You crave music but it must come from you. What will you do?

You will come to our workshop. We happen to be behind the third palm tree at the top of the hill overlooking the bay.

Learn to make music with what you have at hand. Musical instruments and items that can become musical instruments will be provided. Ever wanted to be in a band? Participants will be a part of the inaugural performance of the Chebeague Primitive Musical Orchestra. Don't miss it!

#### Rules:

1. Come as you are.
2. If you have an instrument that you have played before, don't bring it. We want you to explore your untapped creative genius! “Primitive” means you will learn everything you need to know in the workshop itself. Don't worry.
3. Team players only. We are doing this thing together!
4. Participants **MUST** be willing and able to perform with the orchestra that evening at the home of John and Courtney Wilson.
